

2024-25 Business Sponsorship

T3 Performance has a strong commitment to provide advanced levels of competitive baseball for players with the desire and talent to excel in the sport. It is the goal of T3 to lay the fundamental groundwork necessary for players in our program to learn and enjoy the game of baseball, play competitive baseball, prepare for high school programs and possibly collegiate baseball.

Teams/players have fundraising activities to help offset the expenses. In an effort to keep the costs affordable for all players, the teams reach out to sponsors to help defray the costs. All monies raised and donated directly benefit the team/player.

We also strongly encourage our families and fans to support our sponsors whenever possible. We feel this is a great opportunity to advertise your business, as well as help the young athletes in our programs.

Please see the attached sponsorship form. To sponsor our team/player, please fill out the enclosed form and return it with your payment to your coach or directly to T3 Performance.

The coaches, parents and players would like to thank you in advance for your support!
